

Voice file name: Audio file name

Key:

S1: Speaker 1
S2: Speaker 2
S3: Speaker 3
etc

s.l. sounds like

S1: So, John, could we possibly borrow one piece of paper each from your printer, please.

S2: Yes, go for it.

S3: So first of all thank you very much for agreeing to participate in this feasibility study, but also of course for coming along tonight. In terms of this study, this is the first with interaction between people running and the participants.
